*"How the Gospel
Helps Change Us"*

*Gospel Discipling Specialist
Serge, Grace at the Fray*

A day of practical discussion on the dynamics of change: What does it mean and look like to be "spiritually secure"? How does the good news of the Gospel help us with our understanding and practice of repentance?

Our discussions will be personal not clinical. Warm not analytical. Practical not theoretical. Encouraging not burdening. If you have an interest in how the Gospel makes you a happier, more fruitful man, then make the time to join us on Saturday, March 10th, 2018 at the Grace & Men Conference at Old Peachtree Presbyterian.

Conference Cost

Individual Cost: \$62

Group (5+men) Cost: \$52
